

Celebrating Our Volunteers!

MEE MEMORIAL HOSPITAL

is proud to celebrate our volunteers today and every day as they enjoy a Volunteer Appreciation Luncheon today! Our volunteers tirelessly support the hospital with special events (including flu shot clinics, health fairs, open houses, blood drives), purchasing medical/hospital equipment, operating our Gift Shop and Information Booth, being "Caring Callers" with a phone call or in-person visit offering patients a kind ear and making deliveries to patients throughout the hospital – plus so much more!
